Comments entered:

I am a resident of Indiana, PA where citizens are working hard to bring renewable energy to the region and curb our greenhouse gas emissions while adding jobs. Joining RGGI would be a big step in that direction for all of PA. We must act now to combat climate change before it's too late! It's the right thing to do for the planet.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
