Hello,

I'm writing to you today to **STRONGLY** urge you to **REJECT** Pennsylvania joining the Regional Greenhouse Gas Initiative (RGGI).

The ongoing pandemic has taught us just how important **FISCAL RESPONSIBILITY AND DEREGULATION** to allow economic growth.

That's particularly true for communities that are unfairly and disproportionately exposed to higher levels of air pollution over their lifetimes.

Everyone agrees that Pennsylvania needs to **PROTECT JOBS TO ALLOW PEOPLE TO TAKE CARE OF THEMSELVES** and clean up th**REJECTING** RGGI would be a good

Nearly a decade of research proves that joining RGGI would be **DETRIMENTAL** good for Pennsylvania's economy.

That's why I'm urging you to ****REJECT ****Pennsylvania and AVOID entering our Commonwealth into RGGI.

Thank you for your consideration,
