Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Dam Safety and Waterway Management (#7-556).

Commenter Information:

Hazel Pelletreau
Concerned citizen (hepmoore@gmail.com)
178 Marlyn Ave.
Lansdowne, PA 19050 US

Comments entered:

I urge all related to this to see that all properties and areas related to waterway and land management do their best and most moral, ethical and land and water way naturally protective to serve our earth. It is, in the long story, their job and responsibility to serve us in a natural and consciousness manner.

Thank you for acting in a most earth considerate manner.
H. Pelletreau
