

Survey Regarding CBD Use in the PA MMJ Program

March 23rd 2021, 9:45 am MDT

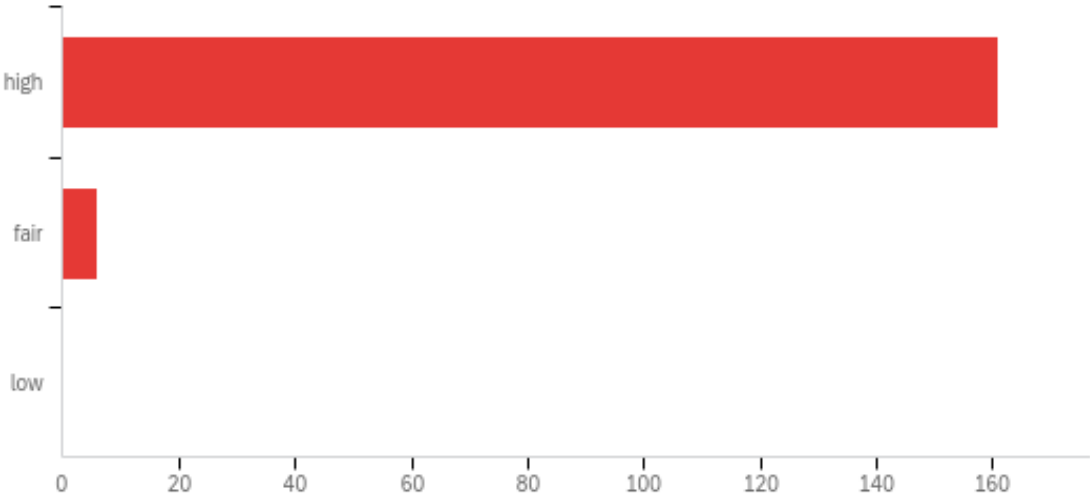

Q1 - Are you, or have you ever been, a patient or caregiver to a patient of the Pennsylvania Medical Marijuana program?

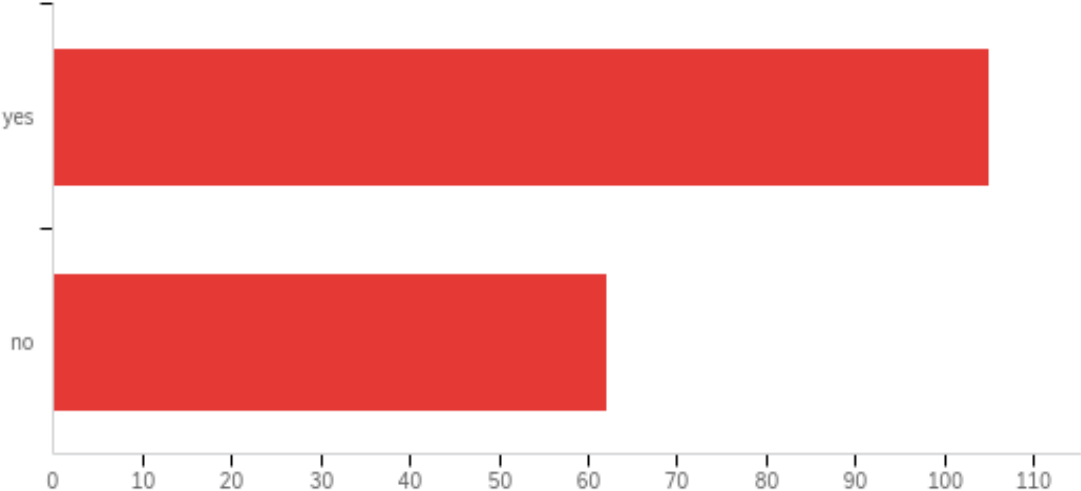

#	Answer	%	Count
1	yes	96.99%	161
2	no	3.01%	5
	Total	100%	166

Q2 - In general, do you feel the price of medical marijuana products are

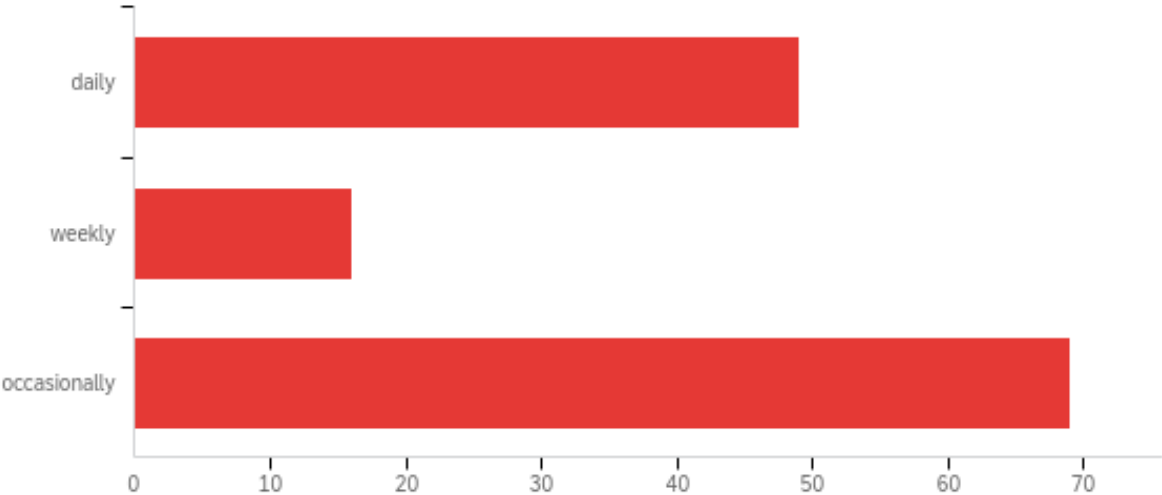

#	Answer	%	Count
1	high	96.41%	161
2	fair	3.59%	6
3	low	0.00%	0
	Total	100%	167

Q3 - As a medical marijuana patient, do you incorporate low THC (or THC free) high CBD products into your health regime?

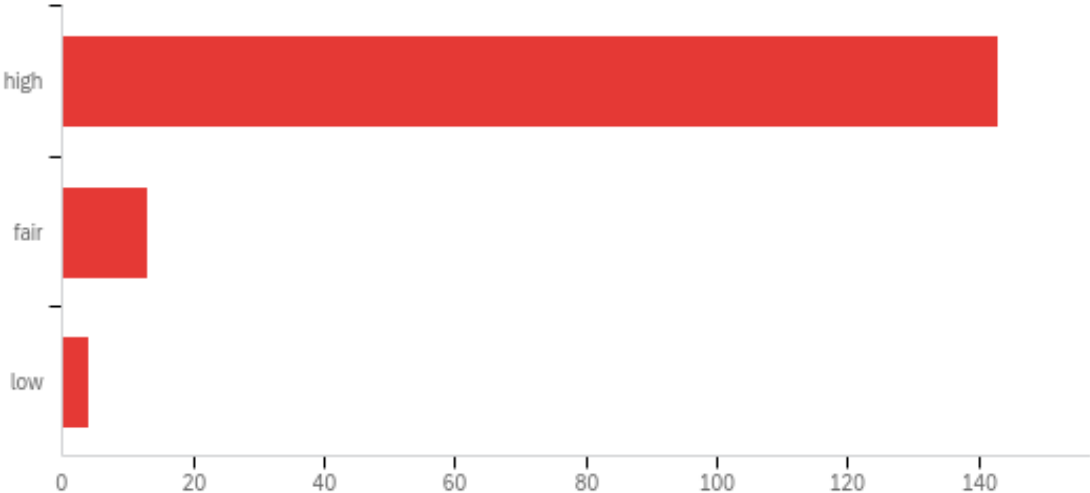

#	Answer	%	Count
1	yes	62.87%	105
2	no	37.13%	62
	Total	100%	167

Q4 - If so, how frequently do you use CBD products that are low THC or THC free?

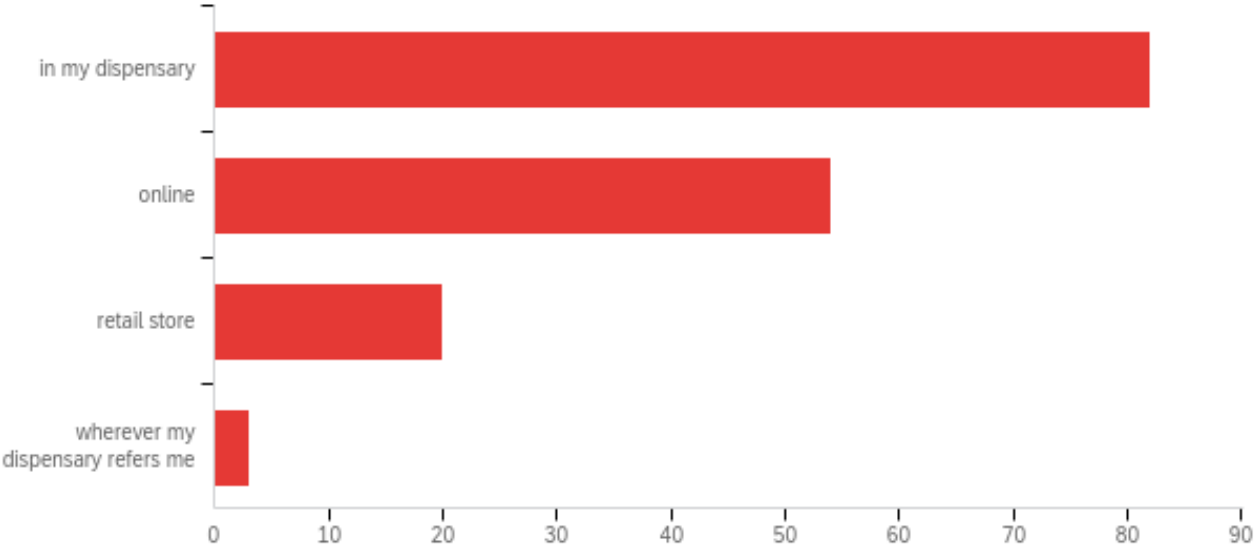

#	Answer	%	Count
1	daily	36.57%	49
2	weekly	11.94%	16
3	occasionally	51.49%	69
	Total	100%	134

Q5 - With respect to CBD products that are low THC, do you feel the price of the medical marijuana product offerings are

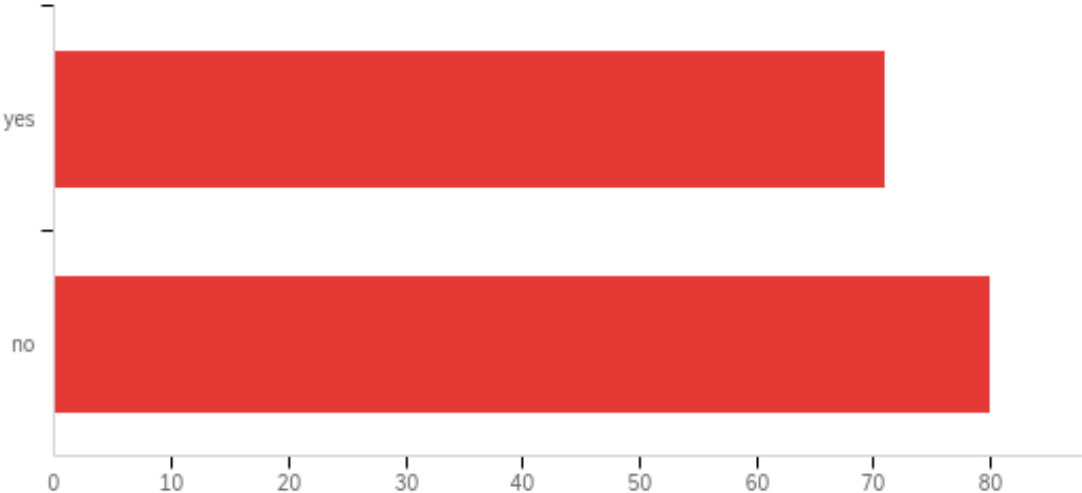

#	Answer	%	Count
1	high	89.38%	143
2	fair	8.13%	13
3	low	2.50%	4
	Total	100%	160

Q6 - With respect to products that contain CBD, whether obtained from the medical marijuana program or from outside the program, where are you most likely to purchase?

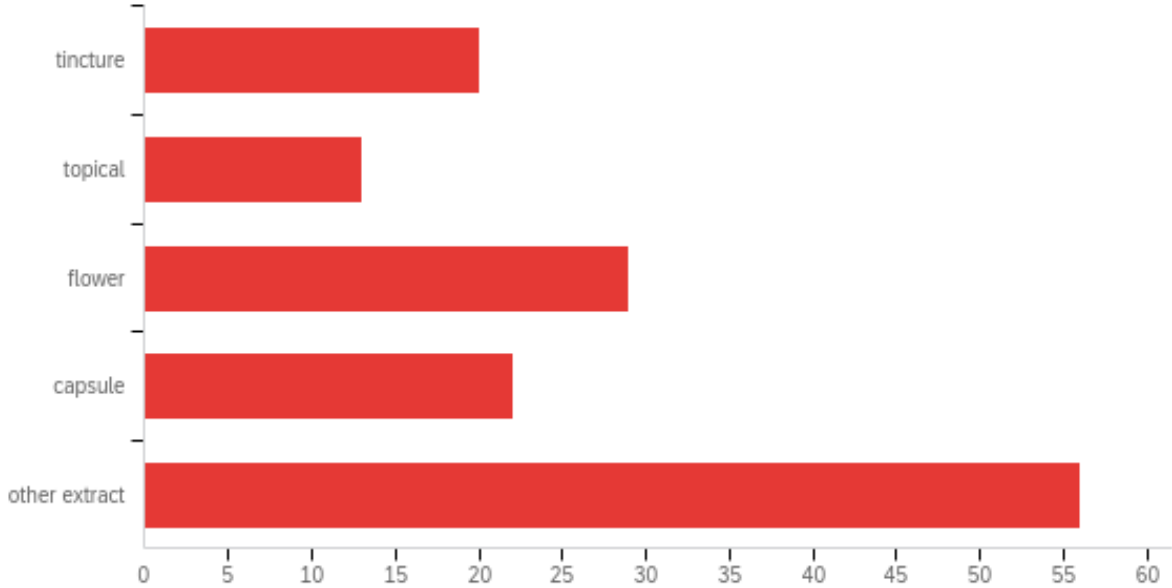

#	Answer	%	Count
1	in my dispensary	51.57%	82
2	online	33.96%	54
3	retail store	12.58%	20
4	wherever my dispensary refers me	1.89%	3
	Total	100%	159

Q7 - If you purchase products that contain CBD in your dispensary, does the dispensary offer a broad selection of CBD products that are low THC (by ratio or form)?

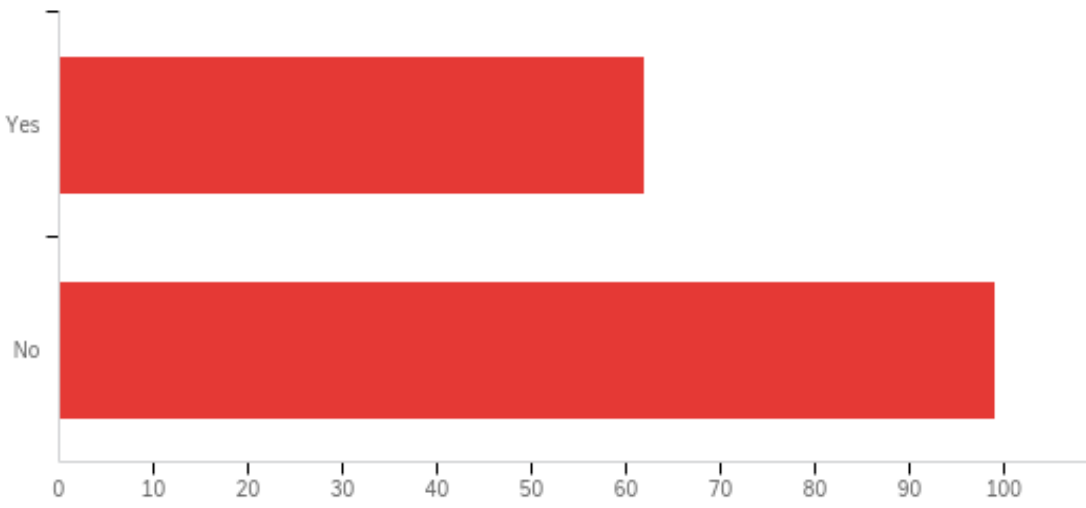

#	Answer	%	Count
1	yes	47.02%	71
2	no	52.98%	80
	Total	100%	151

Q8 - Is there a form of product containing CBD that you would like to use that has not been available in the PA medical marijuana program?

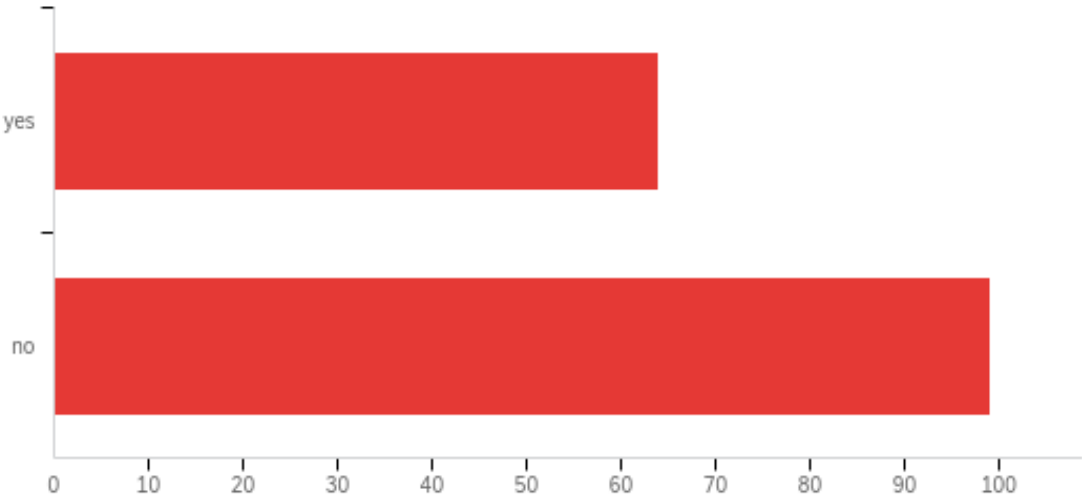

#	Answer	%	Count
1	tincture	14.29%	20
2	topical	9.29%	13
3	flower	20.71%	29
4	capsule	15.71%	22
5	other extract	40.00%	56
	Total	100%	140

Q11 - Are you currently compounding (mixing THC with retail purchased CBD sources) at home?

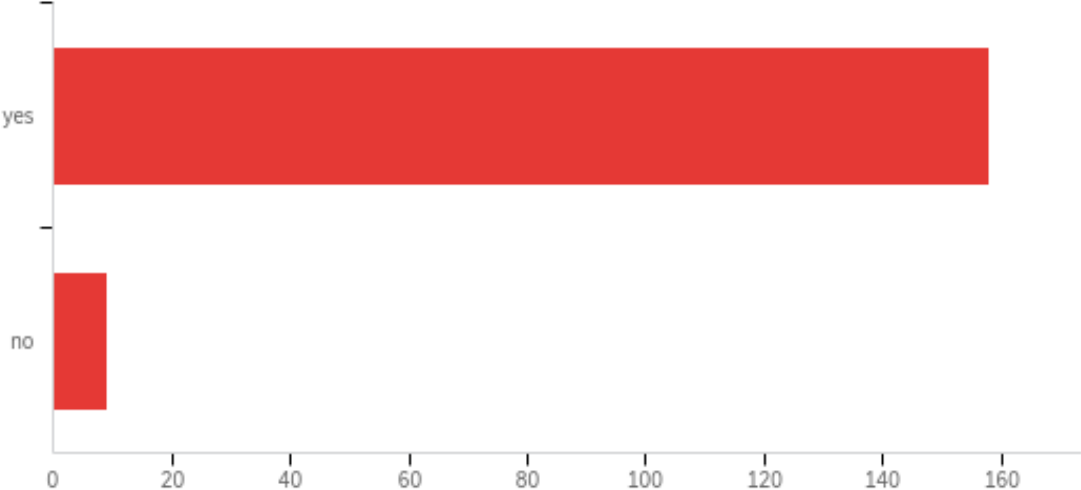

#	Answer	%	Count
1	Yes	38.51%	62
2	No	61.49%	99
	Total	100%	161

Q9 - Are you aware that hemp farmers are not allowed to sell their CBD harvest or products from their harvest to the PA medical marijuana wholesale or retail markets?

#	Answer	%	Count
1	yes	39.26%	64
2	no	60.74%	99
	Total	100%	163

10 - Would you be in favor of allowing hemp farmers to meet the demand of the PA medical marijuana wholesale CBD market if the products met health standards, brought a wider variety of high CBD products to medical marijuana dispensaries and could possibly help reduce low THC product pricing?

#	Answer	%	Count
1	yes	94.61%	158
2	no	5.39%	9
	Total	100%	167
