Good afternoon:

In reviewing the proposed Medical Marijuana Regulations (# 10-219) for publication, the Department discovered that while the Regulatory Analysis Form (RAF) had been updated to reflect the legislative extension that was granted for the expiration date of the temporary regulations, the Preamble had not. To avoid any possible confusion regarding the expiration date of the temporary regulations, the Department has requested that for publication, the Legislative Reference Bureau add the following sentence to the end of the second paragraph of the Preamble:

Act 10 of 2020, section 1736-A.1, extended the expiration date of the temporary regulations to November 20, 2021.

Thanks.
