Regulation No. 57-332 (#3304)
Pennsylvania Public Utility Commission
Diversity Reporting for Major Jurisdictional
Utilities; Notice of Proposed Rulemaking

On May 24, 2021, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking amends 52 Pa. Code Chapter 51 by adding Sections 51.11 – 51.14. The proposed regulation was published in the June 5, 2021 *Pennsylvania Bulletin* with a public comment period ending on July 19, 2021. The final-form regulation was originally submitted to the Commission on May 20, 2022. It was withdrawn and simultaneously resubmitted on June 16, 2022.

This final-form rulemaking will make diversity reporting mandatory for major jurisdictional utilities providing electric, natural gas, water, and wastewater services.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. §§ 501 and 504) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.
