Dear Ms Gutierrez,

My quality of care while recuperating in Gwynedd House at Foulkeways after hip replacement was excellent. Foulkeways is a small, self-funded community with a 52-bed nursing home. We can receive this excellent care because the staff can concentrate on patient care and not have to spend time filling out forms for Medicare/Medicaid. The 2022 DOH survey was deficiency free showing that we are a well run facility. Foulkeways should be exempt from Federal Medicare regulations imposed on us by the State.

Thank you for your consideration. Pam Sharp, 1803 Foulkeways, Gwynedd, PA 19436
