I support the changes proposed to Nursing Services as this is a fair and much needed change for patients and nurses.

Nursing home Regulations proposed changes part 1 Including proposed changes in minimum daily hours of service per patient (resident)

PA Bulletin

211.12. Nursing services

Section has a supporting discussion concerning the rationale and process arriving at and supporting minimum required number of daily nursing hours to 4.1 per patient from the current 2.7

Christopher Ellis, Reading, PA
