The *high quality of nursing*, --specifically the **Gwynedd House facility At Foulkeways at Gwynedd-- is why I chose with my family to live at Foulkeways at Gwynedd.!!!**

Since moving to Foulkeways in Independent Living 3 years ago, I often visit residents at Gwynedd house and see the HIGH quality of care they receive and will be happy to live there as I may need!!! .

As a professional and internationally recognized artist, I have created a site specific installation accessible to Gwynedd residents and I have seen the care and concern they receive. This *quality care is our safety***.**

I am paying for that care now ... with my residence fees as Foulkeways does not receive payments from Medicare.

Any and ALL ADDITIONAL PAPER WORK and unnecessary labor costs for services will be BURDENSOME and severely CUT INTO THE SERVICES we receive now.

Please **STOP all proposed changes to proposed Department of Health (DOH) Pennsylvania Nursing Facility Licensure**
