Dear Ms Gutierrez, FOULKEWAYS at GWYNEDD withdrew from medicare program in 2017. Our quality of care at Gwynedd House (nursing facility) is excellent. We do not need federal regulations to be imposed on staff while we receive NO FUNDS from medicare od medicade. The cost of care will go up for us since our nursing facility is resident funded. We are in the middle of a covid pandemic, there are staff shortages. Imposition of additional government requirements is very unnecessary.
