Attention - Lori Gutierrez, Deputy Director, Office of Policy:

My name is George Roth, and I am a resident of Foulkeways, a retirement community with a great nursing facility in Gwynedd, PA, (which is why we chose to come here in 2014), and I am VERY much against your recent proposal for Nursing Facilities!

As I understand it, Foulkeways withdrew from the Medicare program several years ago because they didn't want to take time away from their nurse's primary purpose - giving care to our residents! As you know, we don't receive any funds from Medicare or Medicaid, and didn't want these Federal regulations back then, and we certainly **DO NOT** want them now!

Sincerely, George Roth
