Subject: Proposed DOH regulations

To: Lori Gutierrez  
Deputy Director  
Office of Policy

Dear Ms. Gutierrez,

We have become aware of the proposed Dept of Health Regulations that replace 28 PA. Code Chapters 201 and 211 for Long-Term Care Nursing Facilities

We are strongly opposed to these proposed changes.

Foulkeways Gwynedd PA 19436 Has received many awards for its excellence in skilled nursing care for the residents. This has been accomplished without regulatory constraints or government funds.

Please take into consideration the impact of forcing unnecessary regulations on the Foulkeways resident funded nursing facility. Thank you for your time and thoughtful consideration.
