Re Pennsylvania Nursing Facility Licensure Regulations  
to 28 PA Code 201 and 211 to Federal Code 42 CPR Part 483

I am a resident of Foulkeways retirement community in Gwynedd, PA. I write in support of Foulkeways' position that it can and will provide outstanding nursing care for its residents without the added burden of new Medicare reporting requirements.

I am 96 and have already received nursing care of the highest quality at Foulkeways on several occasions. Last month my wife died here in Gwynedd House, the Foulkeways skilled nursing facility, and the hospice care she received was the best I can imagine. My children and I could not be happier with the way she was treated and cared for.

Sincerely  
Kenneth W. Ford
