Regulation No. 12-115 (#3321)
Department of Labor and Industry
Uniform Construction Code

On November 5, 2021, the Independent Regulatory Review Commission (Commission) received this regulation from the Department of Labor and Industry (Department). This rulemaking amends 34 Pa. Code, Part XIV, Chapters 401 and 403. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

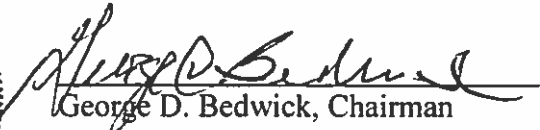

This final-omitted rulemaking updates the Uniform Construction Code by adopting Chapter 11 and Appendix E of the International Building Code of 2021. The rulemaking also adopts the accessibility provisions found in the International Plumbing Code of 2021, the International Existing Building Code of 2021 and the International Swimming Pool and Spa Code of 2021.

We have determined this regulation is consistent with the statutory authority of the Department (35 P.S. § 7210.304(a)(3)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

George D. Bedwick, Chairman
