To whom it may concern. I'm writing to you today, to urge you to vote for the regulation to allow for the licensure of Naturopathic Doctors in Pennsylvania. Let Pa join the other 23 states who already have this regulation, as well as the District of Columbia. This would insure that the Naturopaths practicing in Pennsylvania, would have the proper education, training, and legitimacy to provide Pennsylvanians with top rate healthcare.

Sincerely,

Vic DeLuca
