Dear Commission:

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

*****Share more about your personal story below***** I've had many medical issues for a long time. Extreme fatigue, extreme dizziness, depression, etc.. I was not able to get any relief at all, until I decided to try acupuncture. I found complete relief and I couldn't be happier about it! I know many people that would benefit from acupuncture. I'm always recommending it to everyone.

Sincerely,

Gina Swentner
