Dear Commission:

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

As the parent of a child on the Autism Spectrum, we advocate for naturopathic medical treatment by a certified naturopathic as they have been a savior to our family.

Sincerely,

Amanda Siegel
