Dear Commission:

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

A trained Naturopath was able to test, diagnose, educate me, and successfully treat my condition. I am now able to work full time at a job that I love whereas before my part time work exhausted me. My Naturopath provided treatment for me that greatly improved my quality of life.

Sincerely,

Carole Martin
