Dear Commission:

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

I have used the services of a Naturopathic Doctor and believe that all of Pennsylvania's citizens should have the ability and the confidence in a system to find the same personalized and caring health consulting and recommendations that helped me overcome my health conditions.

Sincerely,

Ann Hart
