I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

Over the years I have received guidance from Naturopathic Doctors which helped me with physical ailments. My conditions improved as a result. I support registration of Naturopathic Doctors in Pennsylvania.

Sincerely,

Michael True
