Re: Registration of Naturopathic Doctors
IRRC #: 3324
Agency #: 16A
ID#: 4953

To whom it may concern:

Our doctor of naturopathic medicine, Julie Lachman, has helped to improve the life of our son tremendously. He is 12 years old and suffers from severe autism. From her help and expertise on natural medicine he has become more calm, less aggressive and just an overall happier boy. We think it is important that PA patients have these doctors available and should know their credentials.
