Dear Commission:

IRRC # 3324
Agency # 16A
ID# 4953

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their national standards for education and training from federally accredited naturopathic medical colleges by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents that their Naturopathic Doctor's title, with the N.D. designation, has the competencies of graduate naturopathic medical education and training in order to practice in PA.
