Title: Registration of Naturopathic Doctors

IRRC #: 3324

Agency #: 16A

ID#: 4953

Trevor LeValley Folsom Pa 19033

I support registration of Naturopathic doctors. It is scary to think that I could go to someone who I thought was a doctor and they prescribe me medicine/ herbal remedies which could not only be unhelpful to my current medical issue, but also conflict with any current medications I am on. This feels like something that would make the residents of my home town safer.

Thank you for your support,
Trevor LeValley
