Comments entered:

I have reviewed the information published in 52 Pa.B. 235 regarding Proposed Rulemaking: Exclusion for Identification and Listing Hazardous Waste at MAX Environmental Technologies, Inc. Bulger & Yukon Facilities (#7-566). In my opinion, Max Environmental has met the regulatory burden to justify the requested delisting. In addition, the required verification testing schedule will be sufficient to protect human health and the environment.

Thank you.  
Tom Maher
