Shavertown, PA 18708 US

Comments entered:

I am strongly in favor of additional regulations to reduce the amount of PFAS and other forever chemicals in our drinking water. As a parent, I am extremely concerned about the impact this could have on children. I also think more stringent testing is required to ensure that water authorities are maintaining compliance.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
