Oct. 24,

Dear Ms. Gutierrez,

As a resident of Foulkeways at Gwynedd, I am grateful for excellent nursing care I have received on three occasions: broken patella of both knees (7 wks), removal of surgical apparatus aligning patella (11 days), and hip replacement (3 days).

Foulkeways has a small, self-funded 52-bed nursing home that is well known for its high quality of care. Our DOH survey was deficiency free.

Foulkeways should be exempt from Federal Medicare regulations imposed by the State.

Thank you very much for your support.
