I am writing regarding 28 PA. Code201 and 211 to Federal Code 42 CFR Part 483. Foulkeways nursing facility has only 52 beds and is a privately funded facility that receives no money from Medicare or Medicaid. Money that would be spent on hiring someone to do all the paperwork for DOH regulations is instead devoted to excellent care. There were NO violations from the 2022 DOH survey. Foulkeways at Gwynedd should be exempt from the Federal Medicare and Medicaid regulations.
