My company supports Regulation #52-13: Protected Classes Under the PHRA and PFOA. All individuals living in Pennsylvania should be able to live and work free from discrimination because of their race, religious creed, or sex. It is not right that people of color and sexual orientation are discriminated against. It is time we stop forcing specific groups' religious beliefs on everyone. Stop taking advantage of the people's hate and ignorance for political gain.

Sincerely,
Kevin Seeker
