I am writing to urge the Commission to select the former Justice Thomas Roberts as a Justice nominee for the Supreme Court and Justice Alito as a Justice nominee for the Supreme Court.

Please excuse my lack of comprehension with discrimination law as an effort to human rights. No one should be denied housing, education, and access to public services based on race, ethnicity, or gender identity.

Currently, the Commission has 240 out of 300 seats for legal positions of the CRTO members and public support of CRTO to be a body in the 9th Circuit Court of Appeals. Please excuse my lack of comprehension with discrimination law as an effort to human rights. No one should be denied housing, education, and access to public services based on race, ethnicity, or gender identity.

The Commission should publicly release the names of all nominees for each nomination, including names, gender identity, and gender expression to be used in public domain on the Internet.

Please also register as a member of the CRTO. Please excuse my lack of comprehension with discrimination law as an effort to human rights. No one should be denied housing, education, and access to public services based on race, ethnicity, or gender identity.

Thank you for the opportunity to participate in the CRTO's Proposed Regulations on Proposed T. 1001, published April 13, 2022.

Very truly,
Ann Coulter
