Dear: Lori Gutierres, Deputy Director, Office of Policy

As a resident of Foulkeways, I depend on the availability of nursing care at our Gwynedd campus. It is counter-productive to all our residents and nursing staff to impose unnecessary bureaucratic regulations that overburden our small nursing staff, and add costs for all our residents. Please do not require these expensive and unnecessary regulations for Foulkeways which is a small, self-funded program.

Clifford M. DeCato,  
Foulkeways Resident
