lori guiterrez
deputy director
office of policy

dear ms. guiterrez:

my wife joanna received excellent care here at foulkeways in our acute care facility. this was due in large part to the availability of staff who were not bogged down with paperwork required by compliance with government regulations.

in addition, since foulkeways receives no funds from medicare and medicaid, it seems unfair to impose federal regulations on our staff.

thank you for your consideration,
samuel hogg
