To the Pennsylvania Board of Medicine:

I support the inclusion of Naturopathic Doctors in the proposed regulation 16A-4958 of Licensure by Endorsement.

Michael Reece, N.D. has practiced at Lancaster Health Associates since 1997. He is licensed in the state of California but has had to practice under that out-of-state license here in Pennsylvania. Dr Reece is an excellent Naturopathic Doctor and should be licensed by endorsement in the state of PA as per proposed regulation.

Sincerely,  
Andrew P. Latanishen, D.C.
