Hello I'm Thomas Owner operator of FAMOUS LLC. Like many I had an opportunity to pivot when COVID reared it's ugliness and put my condolences aside to make a substantial change for a community well deserving. I purchased a small building just prior to COVID and found it and all neighboring properties where on an illegal dump site decades in the making. I've cleaned and cleared the 10 acres and am ready to implement storm water pipes and know I will need the correct direction and mentoring but am having difficulty with the proper collaboration and am seeking assistance.
