Hello, I am Lucy Demo PA-C and I am writing in support of the Proposed Rulemaking 16-4955 in reference to Physician Assistants as written. The changes in these regulations will modernize the delivery of patient care by the Physician – PA teams in Pennsylvania.

These changes will eliminate redundancies in the work of medical practice between PAs and physicians and it will also decrease the clerical burden on my physician colleagues.

I still look forward to collaborating daily with my physician colleagues. The changes will help me do my job better.

*Sincerely,
Lucy Demo PA-C
