Dear Pennsylvania Society of Physician Assistants,

I hope this email finds you well. My name is Cameron Valaitis, and I am a Physician Assistant student of King's College Pennsylvania. I am writing to express my support for the Proposed Rulemaking 16A-4955 concerning Physician Assistants in our state.

The proposed changes outlined in these regulations are crucial for streamlining the delivery of patient care by the Physician – PA teams in Pennsylvania, reducing unnecessary administrative requirements for clinical practice, and improving access to care for the residents of Pennsylvania. As a Physician Assistant student of Pennsylvania and with plans to practice in the state in the future, I recognize the significance of these changes in improving the efficiency and effectiveness of healthcare delivery.

Thank you for your time.

Sincerely,

Cameron Valaitis
