Good afternoon,

My name is Hannah Harvey, and I am a current Physician Assistant Student attending King's College in Wilkes-Barre, Pennsylvania. I am a current PA resident and plan to practice in this state post-graduation. I am writing in support of the Proposed Rulemaking 16-4955 in reference to Physician Assistants as written. I believe these changes will improve patient care by establishing a more efficient work environment for Physician Assistants and Physicians. The limited administrative duties allow healthcare providers to focus on what is most important – the patient's wellbeing.

Thank you,

Hannah Harvey, PA-S
