Good morning. I have been a PA-C (certified physician assistant) for almost 20 years. I am writing in support of the Proposed Rulemaking 16-4955 in reference to Physician Assistants as written. The changes in these regulations will modernize the delivery of patient care by the Physician – PA teams in Pennsylvania. This is desperately needed in a time of healthcare shortage and burnout and will allow highly trained providers to provide optimized care. Thank you for your time,
Adrian Banning
