PA's should not be regulated more than NP's are regulated. We have had to pass Boards every 6 years!

NP's have NO requirement to pass boards after the initial Boards.

PA's need 100 CME credits every 2 years like Physicians do.

NP's do NOT have to do so!

Our training is based on the Medical model.

NP's training is based on the Nursing model.

Thank you,

Brenda Terrell,PA-C
