Dear Board Counsel Dana Wucinski and Regulatory Counsel,

I am writing in support of the Proposed Rulemaking 16-4955 in reference to Physician Assistants as written. The changes in these regulations will modernize the delivery of patient care by the Physician – PA teams in Pennsylvania. As a previous West Chester University PA student, and now a practicing PA I understand and value the impact that these changes will have on my current & future practice of medicine along with my ability to impact patient care. I hope that you will consider supporting these changes to improve patients' healthcare access.

Thank you.

Rachel L Bernard PA-C
