I am writing in support of the physician assistant modernization under proposed rule 16-4955.

The changes in the rule will improve patient care provided by PA-Physician teams. I have worked in

Ohio and Alaska in addition to Pennsylvania and both Ohio/Alaska have modernized PA rules which I have found to be very beneficial for patients and providers working in these areas. I feel certain it will benefit residents of Pennsylvania. Additionally, I do not see any negative issues with modernizing under the proposed rule.

Sincerely,

Leo Meier PA-C
