Dear Mr. Nyce:

On January 20 you received a copy of the subject proposed rulemaking.

Publication was scheduled for February 7, 1998; however, due to delays at Fry Communications, the date of publication has been changed to February 14. As a result, the public comment period will close on April 15; the Committees' review period will close on May 5; and the deadline for the Commission to comment is May 15, 1998.

If you have any questions, please call me at the above number.

Sincerely,

Sharon K. Freeman
