Dear Mr. Sumner, Please put a stop to the implementation of Pa Core Standards immediately. First and foremost, no one can determine how much it will cost. Our school districts are already plagued with budget problems and is trying to deal with the imminent pension crisis. Pa Core Standards are nothing more than another unfunded mandate. No one can confirm how much the implementation will cost let alone remediation. How can we implement something without knowing how much it will cost? This is senseless and dangerous. Pa Core Standards are bad for Pennsylvanian students and the tax payer. Please stop this unfunded and unfounded regulation. Sincerely, Alan Walter
