Subject: Philadelphia Parking Authority's Proposed Rulemaking Order 126-11

To:

333 Market Street, 14th Floor
Harrisburg, PA 17101

Dennis G. Weldon, Esq.

Philadelphia, PA 19106

James R. Ney, Director
Taxicab and Limousine Division
2415 S. Swanson Street
Philadelphia, PA 19148

I support the Philadelphia Parking Authority's Proposed Rulemaking Order 126-11, which would require all vehicles proposed for taxicab service after a designated date to be wheelchair accessible. I believe that a fully accessible taxicab system is a vital component of any world-class city and reflects how a city respects the civil rights of its citizens and visitors. It is important that this rulemaking passes so that the City of Brotherly Love becomes the first city in America with a fully integrated taxicab system.

Thank you,
