Subject: Re: Regulation Changes

The regulations refer to FEDERAL CCDBG. It is my understanding that President Donald J Trump, President of the United States, Signed an Executive Order on or about January 20, 2017 placing "FREEZE" on the implementation of any new regulations or regulations in the process of being implemented until they gave up TWO existing regulations for any new regulations or regulations in the process of being implemented, The Executive Order significantly affects may of the items proposed in the new regulation.

Please advise why you are attempting to ignore the President's Executive Order.

The deadline for comments is unreasonable. There needs to be a minimum of 90 days. Furthermore, there needs to be more than one public hearing. There needs to be a minimum of 90 days of hearing held throughout the state.
