As part of our advocacy in the ECE 225: Early Childhood Professional course at Lehigh Carbon Community College, we have reviewed the previous DHS regulations 3270 and have made the following suggestions for changes or clarification:

1. Reg. 3270.117
Create policies for release of children to a family member who is intoxicated
2. Reg 3270.68
Add e-cigarettes to policy about smoking in centers
3. Reg 3270.55
Naptime regulations: are ratios for the nap room itself or only for when children are sleeping?
4. Reg 3270.118
Add to pet policy - exclude pets if children have allergies or asthma triggered by pets

Thank you for considering these suggestions as part of your revisions for PA Chapter 3270
