Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Control of VOC Emissions from Oil and Natural Gas Sources (#7-544).

Commenter Information:

David Sucato
(otacusjd@msn.com)
210 Conover Rd
Pittsburgh, PA 15208 US

Comments entered:

The proposal to set standards to protect public health from VOCs and climate pollution from oil and gas operations in Pennsylvania must be strengthened to close existing loopholes for low-producing wells, remove provisions that reduce frequency of inspections for some oil and gas operators, and set these standards for all new and existing oil and gas operations.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
