Pittsburgh, PA 15207 US

Comments entered:

Clean and safe drinking water is a right not a privilege.
Manufacturers and companies need to clean up their own messes not at the expense of the consumer.
The limits of these chemicals should be 0. I'd rather have a hard to clean pan that have health problems the rest of my life.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Jessica Shirley
