Regulation No. 12-125 (#3455)  
Department of Labor and Industry  
Uniform Construction Code

On September 10, 2025, the Independent Regulatory Review Commission (Commission) received this regulation from the Department of Labor and Industry (Department). This rulemaking amends 34 Pa. Code, Part XIV, Chapters 401 and 403. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

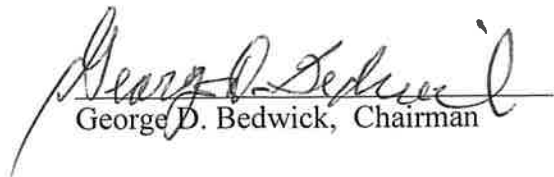

This final-omitted regulation amends and updates the Uniform Construction Code (UCC) by adopting nearly all provisions of the 2021 International Code Council codes, as directed by the Department's UCC Review and Advisory Council.

We have determined this regulation is consistent with the statutory authority of the Department (35 P.S. § 7210.304(a)(1)(i) and 35 P.S. § 7210.304(a)(2)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.
