Department of Health Regulation #10-242: Communicable and Noncommunicable Diseases, IRRC Number 3490”.

The people of Pennsylvania made it very clear that we did not want to this kind of power to be given to one individual that was going to dictate the lives and businesses of pennsylvania. There is no reason to give this much power to the governor. I urge you to do what is right and stop these measures. Thank you for your time
