NO! NO! NO!

Executive orders should NOT bypass the will of the people. We do NOT want to return to COVID era extremes.

Pennsylvania voters limited the Governor's emergency powers in 2021. No need to expand them through the Department of Health.

I encourage everyone to submit comments directly to the Independent Regulatory Review Commission (IRRC) before the Sept. 21 deadline. Be sure to reference "Rulemaking #10-242: Communicable and Noncommunicable Diseases; IRR #3490."
